WESTERN INVASIVES NETWORK

WESTERN INVASIVES NETWORK

- Voluntary network of individuals and 100+ organizations concerned about the impacts of invasive weeds in urban and rural areas.
- Exists to create and strengthen collaborative management of weeds in Northwest Oregon and Southwest Washington.

LOCAL WEED MANAGEMENT

- Eight Cooperative Weed Management Areas
- All voluntary
- Local people making local decisions to solve local problems
- Long term management plans, MOUs, weeds of concern, and early detection rapid response target species
- Integrated Pest Management is key

100+ PARTICIPATING ORGANIZATIONS

- County Depts. of Public Works
- Soil & Water Conservation Districts
- Watershed Councils
- Oregon Departments of: Agriculture, Transportation, Fish and Wildlife, Forestry, and Parks & Recreation
- OR/WA State University Extension/Sea Grant
- BPA, BLM, USFS, Army Corps, USFWS
- Timber/Restoration Companies
- Parks and Recreation Districts & City Programs
- Volunteer Organizations and NGOs
- Land Conservancies

NETWORK FOR SHARING

- Notices on new invaders/ grants/ legislation/ IPM control methodologies
- Partnership Information Exchange meetings with technical presentations
- Partnership Directory
- Willamette Weed List-Serve
- Sharing information from ODA, WA NWCB, IPCs, OISC and University Extension
