About the Zoo

The Vista Room is located in the Cascade Crest Banquet Center at the Zoo's Free Entry Plaza near the main entrance. The Pull-Together does not include a zoo experience and zoo admission is not required.

Parking & Westside Light Rail

Portland Parks & Recreation has pay stations in the lots that serve the Oregon Zoo. Rates will be \$1.60 per hour with a daily maximum \$4.00. Parking is first-come-first-served and finding a space may be challenging on days when zoo attendance is high. The easiest access to the zoo is on TriMet MAX light rail. The Washington Park Station is only 50 yards from the entrance to the zoo. For more information on planning your transportation, please visit the zoo's website.
