Declares our partnership

States why and how we are partners

Describes what we do and our priorities

MOU

Management plan

Operating Plan

Steering Committee

Education and Outreach

Mapping and Data

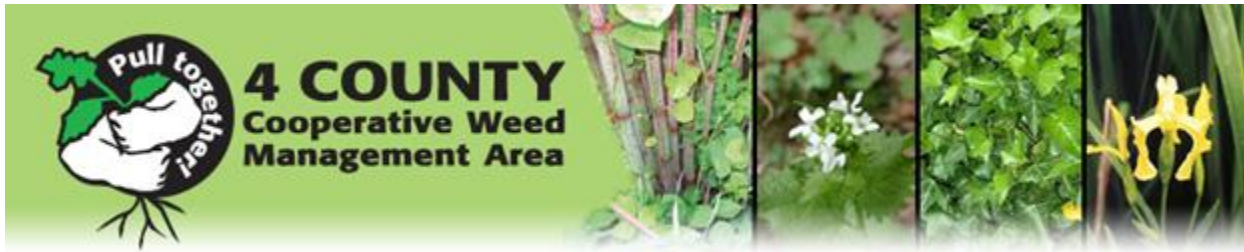

Technical and Scientific Review

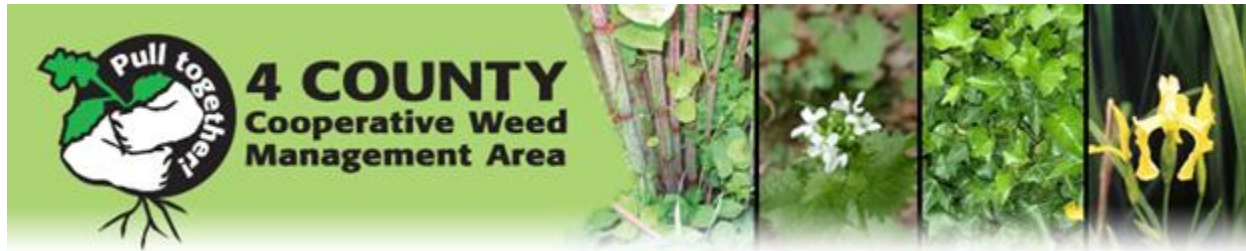

2016 retreat

Goal:

Prevent the introduction and control the spread of harmful invasive plants in the CWMA region by facilitating cooperative management among all willing land managers.

Education and Outreach Committee Annual Work Plan

Goal: Education & Outreach seeks to increase participation in & provide information about invasive species issues

Events

Objective: Develop awareness, education, and training program for partners and the public

Activity	Priority	Lead	Deadline	Audience
Pull Together/Herbicide Forum	High	Sarah	1/11/17	Partners
4-County CWMA Field Day	High	Washington Co.	June 2017	Partners
Let's Pull Together	High	Sarah	May 2017	Public
Tabling events	High	Sarah	Continuous	Public

Materials

Objective: Develop outreach materials for partners and the public

Activity	Priority	Lead	Deadline	Audience
Update CWMA fact sheets	High	Chelsea	2/23/17	Public
Develop stand-up 'Got Weeds?' banner	Medium	Chelsea/Sam	2/23/17	Public
Update CWMA trifold	Low		2/23/17	Public

Objective: Develop online presence

Activity	Priority	Lead	Deadline	Audience
Develop website	High	Sarah or Partner	Ongoing	Partners, Public

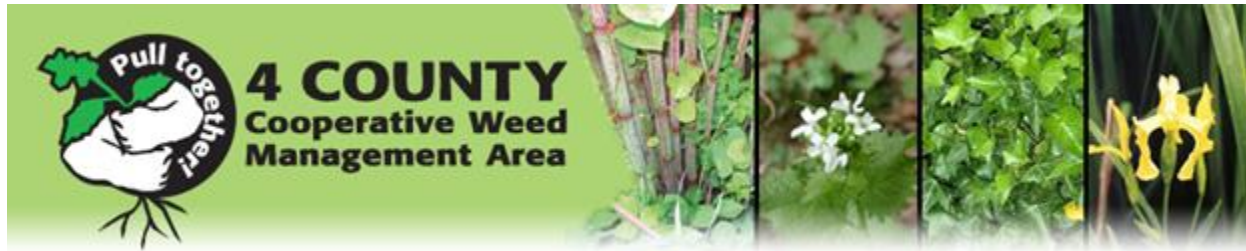

Objective: Improve partner communication

Activity	Priority	Lead	Deadline	Audience
Develop Google Groups and Google Drive		Sarah	Done	Partners
Establish web conferencing capabilities		Jeff	Done	Partners

Self Promotion

Objective: Ensure our partners and decision makers are aware of CWMA, its purpose, and its accomplishments.

Activity	Priority	Lead	Deadline	Audience
CWMA Annual Report	High	Sarah	1/1/18	Partners, Public, Funders, etc.

Data & Mapping Committee Annual Work Plan

Goal: The Data & Mapping Committee seeks to help the CWMA better understand its target species through data analysis and patch

Information Sharing

Objective: Build partnerships and cultivate information sharing concerning the use of field technologies in invasive species detection, management, and related activities

Activity	Priority	Lead	Deadline	Audience
Provide forum for information sharing	High	Jeff	Ongoing	Partners
Share information on workshops & webinars	High	Jeff	Ongoing	Partners
Host Pull Together breakout session	High	Jeff	Ongoing	Public/Partners
Assist partners in overcoming barriers preventing adoption of technologies	Medium	Jeff	Ongoing	Partners
Provide forum for discussing citizen science tools like EDDMaps & iNaturalist	Medium	Jeff	Ongoing	Partners

Improve Data Platform

Objective: Improve relevance of partner data platforms, with a focus to iMapInvasives

Activity	Priority	Lead	Deadline	Audience
Promote CWMA members reporting of bugs to dataset managers	Medium	Jeff	Ongoing	Public/Partners
Support partner funding of iMapInvasives	High	Jeff	Ongoing	Partners
Advocate for cross-state solutions & data exchanges	Medium	Jeff	Ongoing	Partners

Increase Data Contributions
Objective: Promote public & partner contributions to collective database and improve dataset integration

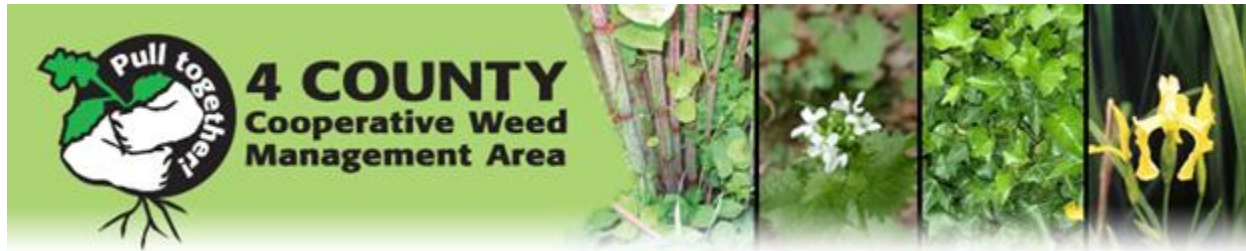

Activity	Priority	Lead	Deadline	Audience
Demonstrate value of data sharing	High	Jeff	Ongoing	Public/Partners
Advocate for cross-state solutions & data exchanges	Medium	Jeff	Ongoing	Partners
Support & provide feedback for Oregon Invasive Species Hotline	Low	Jeff	Ongoing	Partners
Advocate for automated integration of citizen reports into iMapInvasives	Low	Jeff	Ongoing	iMap
Promote academic contributions of data to iMapInvasives	Medium	Jeff	Ongoing	Acedemia
Address barriers to CWMA member participation	High	Jeff	Ongoing	Partners
Promote UUIDs in partner dataset	High	Jeff	Ongoing	Partners
Select species and promote documentation of "call for data" species	High	Jeff	Ongoing	Partners

Promote Data Quality
Objective: Improve quality of dat in collective invasive species datasets

Activity	Priority	Lead	Deadline	Audience
Review highest priority species observations	High	Jeff	Ongoing	Partners
Promote data collection standards	High	Jeff	Ongoing	Partners
Promote photo documentation of sightings	Low	Jeff	Ongoing	Partners

Use the Data
Objective: Support use of collective dataset for research and management planning

Activity	Priority	Lead	Deadline	Audience
Publish highest priority species maps on CWMA website	Medium	Jeff	Ongoing	Public/Partners
Coordinate management of highest priority species infestations	High	Jeff	Ongoing	Partners
Help other committees with Mapping and Data challenges, esp. regarding iMap	High	Jeff	Ongoing	Internal
Highlight potentially useful prioritization tools & mapping efforts	Medium	Jeff	Ongoing	Public/Partners
Demonstrate value of data sharing	Medium	Jeff	Ongoing	Partners
Address complications caused by overlapping observations	Medium	Jeff	Ongoing	Partners

Technical & Scientific Review Committee Annual Work Plan

Goal: The Technical & Scientific Review Committee is tasked with providing technical expertise and insight on several

Content Development

Objective: Create content for a variety of CWMA outlets

Activity	Priority	Lead	Deadline
Review/revise text for IPM factsheets	High	Mitch	January 2017
Review/revise text for CWMA website	High	TBD	June 2017
Review/revise text in support of Ed & Out	Medium	TBD	As needed
Host Pull Together breakout session on new plant species identification	Medium		Annual
Review/revise text for new BMP factsheets	Low	TBD	TBD

CWMA Plant List

Objective: Consult with partners on possible changes to the CWMA invasive species plant list

Activity	Priority	Lead	Deadline
Administer & update CWMA plant list	Medium	Mitch	Ongoing
Full review & discussion of plant list	Low	Mitch	1/1/18

Scientific Review

Objective: Provide perspective on emerging issues

Activity	Priority	Lead	Deadline
Find, read & critique published articles on both sides of relevant issues (eg herbicide)	Medium	TBD	As needed

4-County CWMA

Cooperative Weed Management in OR and WA

[WELCOME](#) [EVENTS](#) [WEEDS](#) [RESOURCES](#) [PARTNERS](#) [HOW TO HELP](#)

Welcome

The 4-County CWMA is a partnership of organizations throughout SW Washington and NW Oregon dedicated to combating invasive weeds for the benefit of native habitat.

To find out more, please click on the links at the top.
