A. PURPOSE:

The purpose of this Memorandum of Understanding (MOU) is to provide a means to effectively coordinate the actions that each party has authority to undertake to address invasive weeds on lands within its jurisdiction. Because weeds readily cross property boundaries, it is in each party's interest to coordinate efforts to accomplish a more effective integrated invasive weed management program.

No party is delegating to any other party any decision-making authority. Each party will still be responsible for making decisions concerning land or resources within its jurisdiction. The benefit of the cooperative effort, however, is that when a party chooses to take action, the action can be taken in a manner that enhances and benefits from efforts taken by other parties. Further, on a case-specific basis, parties may choose to share resources. Agency decisions will be subject to applicable laws, regulations, and public processes.

B. MUTUAL BENEFIT:

All parties to the MOU agree that it is to their mutual interest and benefit to work cooperatively in inventorying, controlling, monitoring, and preventing the establishment and spread of invasive weeds (integrated invasive weed management) across jurisdictional and ownership boundaries within the Cooperative Weed Management Area (CWMA). All parties also agree it is to their mutual benefit to work cooperatively to educate, train, and share technology and information with agency and general public personnel about invasive weeds, and to work cooperatively to make the best use of available funds to manage the invasive weed problems within the CWMA.

C. IT IS MUTUALLY AGREED AND UNDERSTOOD BY ALL PARTIES THAT:

1. This MOU serves to renew the Clackamas, Clark, Multnomah, Washington Cooperative Weed Management Area (CWMA) which encompasses the geographic area of the four counties.
2. The parties to this MOU will cooperatively prepare a Management Plan to describe the goals, objectives and strategies of the CWMA. The Management Plan will also outline the structure and functioning of the CWMA and provide any other needed background information. Absent any separate agreement among one or more parties, each party is solely responsible for its own costs and participation in this joint planning effort.
3. Modifications within the scope of this MOU shall be made by mutual consent of the parties, by the issuance of a written modification, signed and dated by all parties, prior to any changes being performed.
4. Any party, in writing, may terminate their participation in this MOU in whole, or in part, at any time before the date of expiration.

5. New parties may be added to the MOU by modifying the MOU as described in Section C (4) above. It is the intent that the CWMA remain open and inclusive of all organizations and individuals who wish to work cooperatively on invasive weed issues.
6. This instrument in no way restricts the parties from participating in similar activities with other public or private agencies, organizations, and individuals.
7. This MOU is neither a fiscal nor a funds obligation document. Any endeavor involving reimbursement, contribution of funds, or transfer of anything of value between the parties to this instrument will be handled in accordance with applicable laws, regulations, and procedures including those for Government procurement and printing. Such endeavors will be outlined in separate agreements that shall be made in writing by representatives of the parties and shall be independently authorized by appropriate statutory authority. Specifically, this instrument does not establish authority for noncompetitive award to the cooperator of any contract or other agreement. Any contract of agreement for training or other services must fully comply with all applicable requirements for competition.
8. Any information furnished to Federal Agencies under this Agreement is subject to the Freedom of Information Act (5 U.S.C. 552).
9. This agreement is subject to all applicable laws, and each party agrees to be individually responsible for full legal compliance with laws and regulations applicable to each party. Each party is an individual entity, and no party is an agent for any other party.
10. This instrument is executed as of the last date shown below and expires no later than December 31, 2024, at which time it is subject to review and renewal or expiration.
